Hei

I denne boken skal du

1) Synge melodiene på notenavn

2) Klappe melodirytmer og telle grunnslagene

3) Tegne og spille det du har tegnet

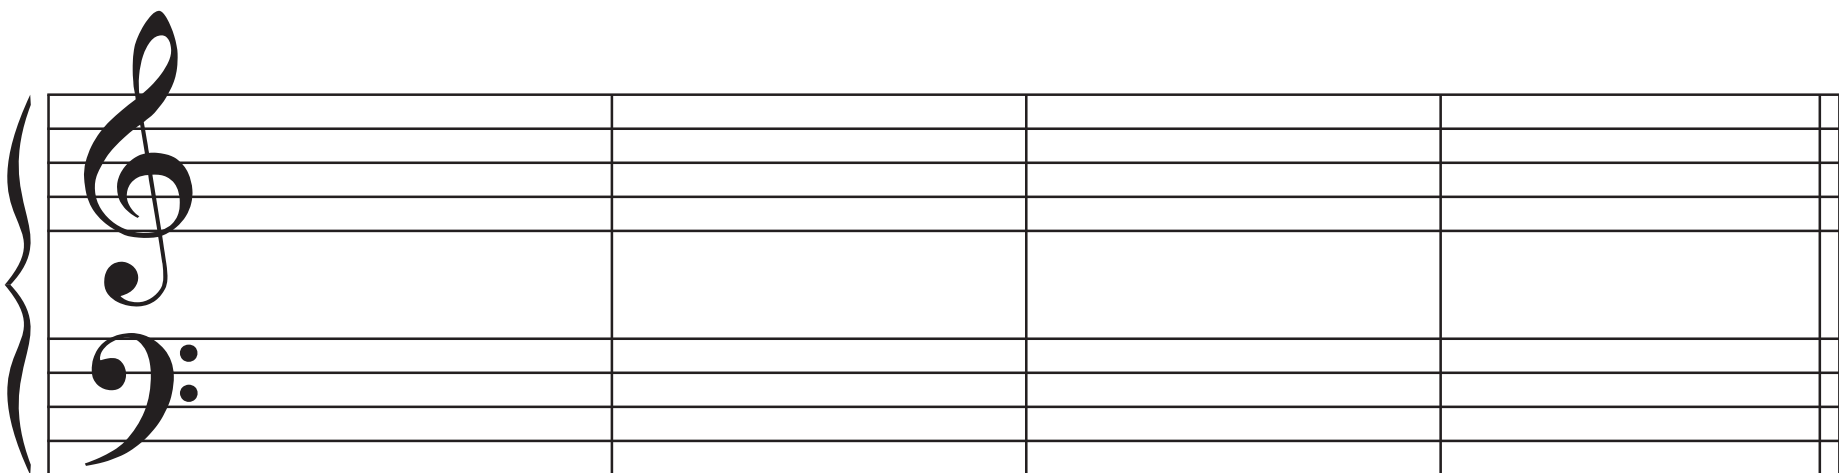

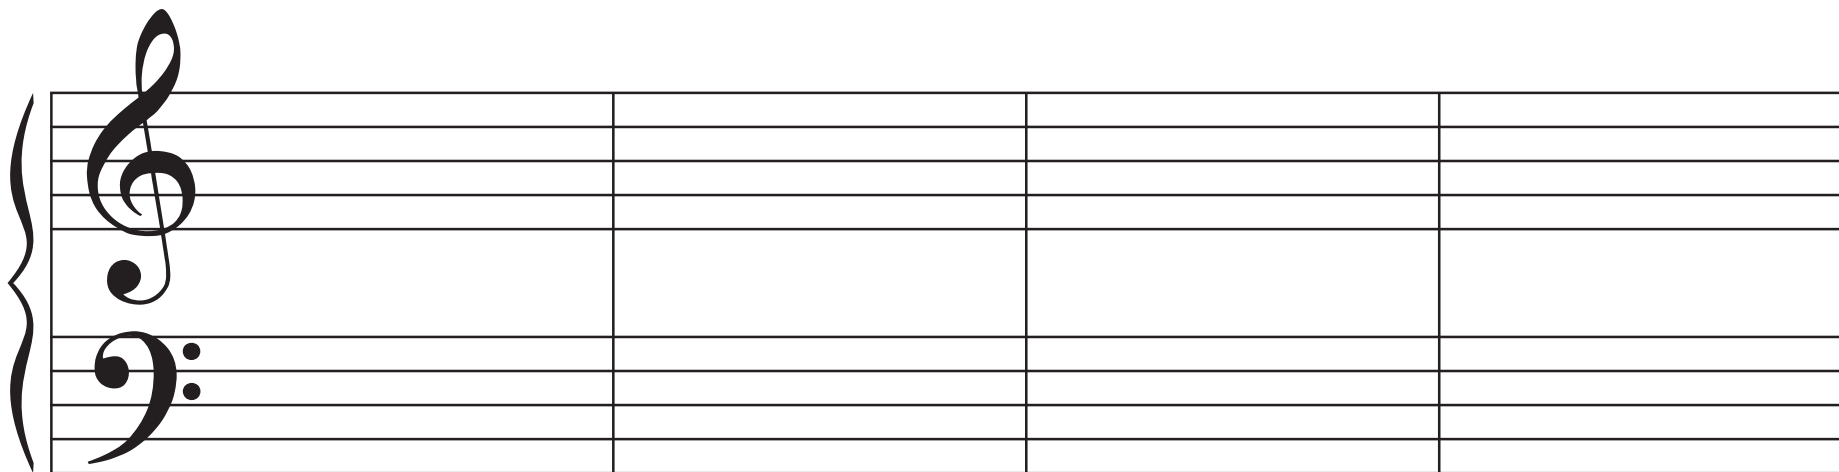

4) Lage bass-stemmer

og

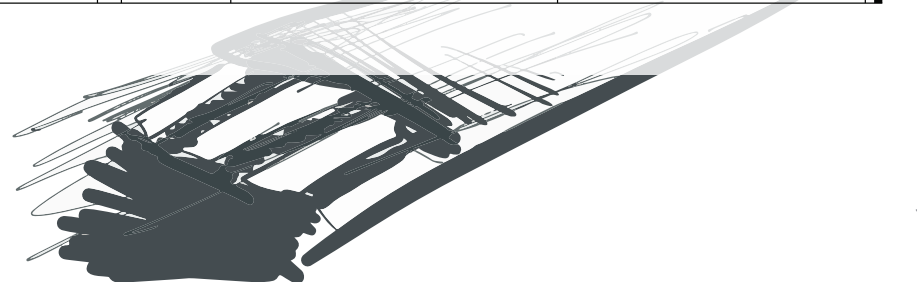

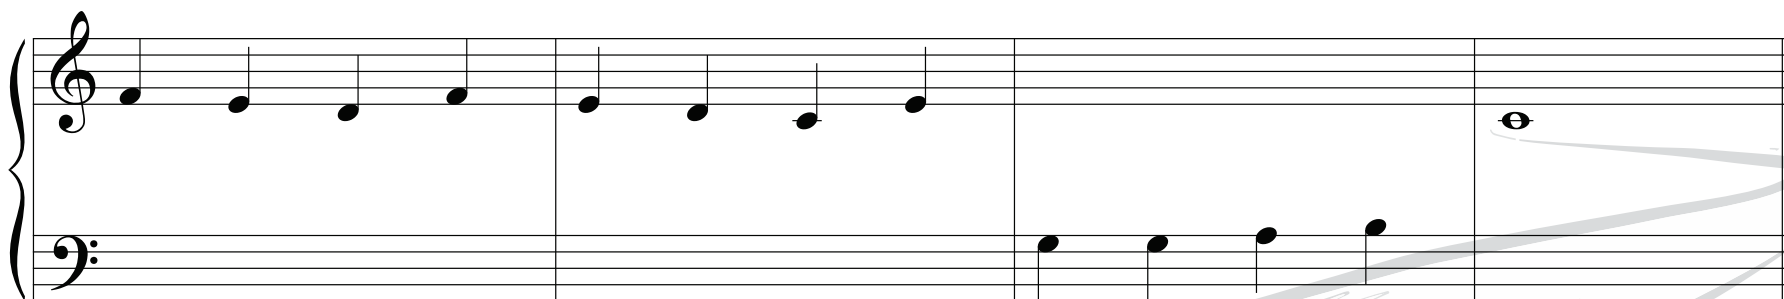

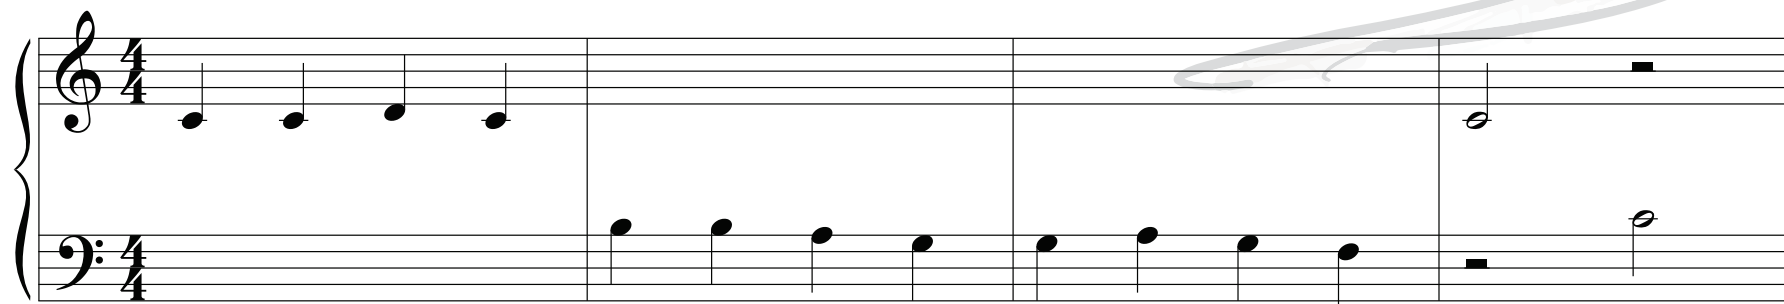

5) Komponere egne melodier

Lykke til!

Skriv en kopi av “Skoleveien” her

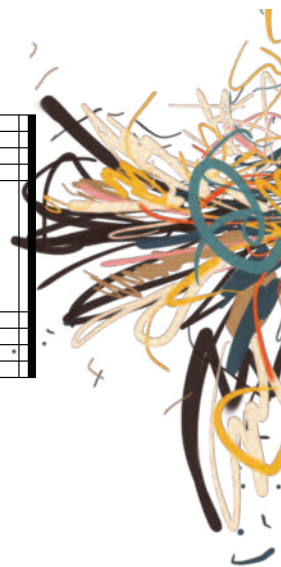

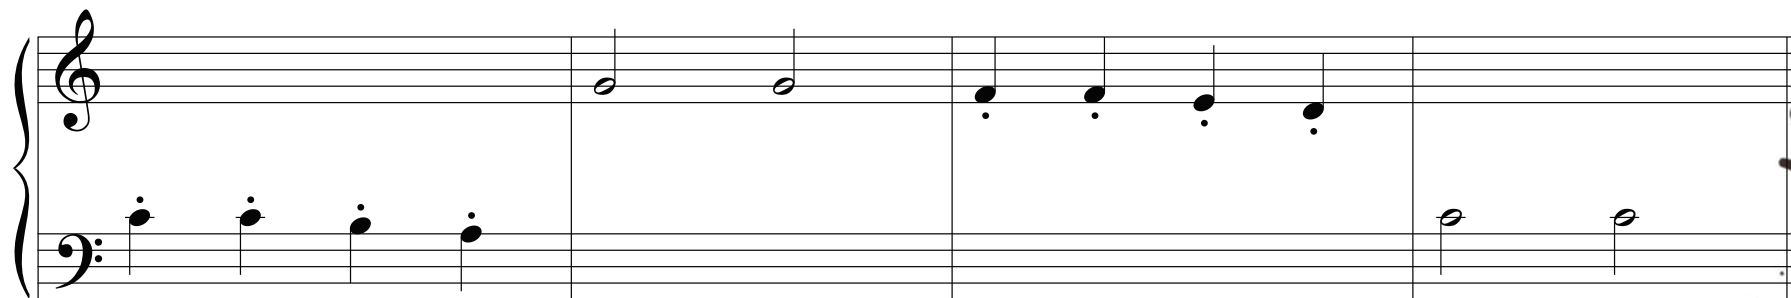

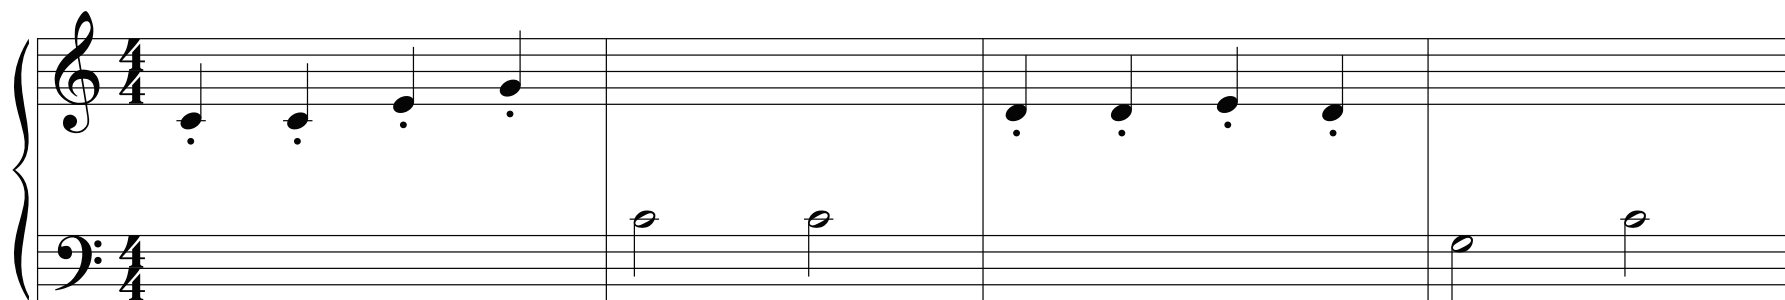

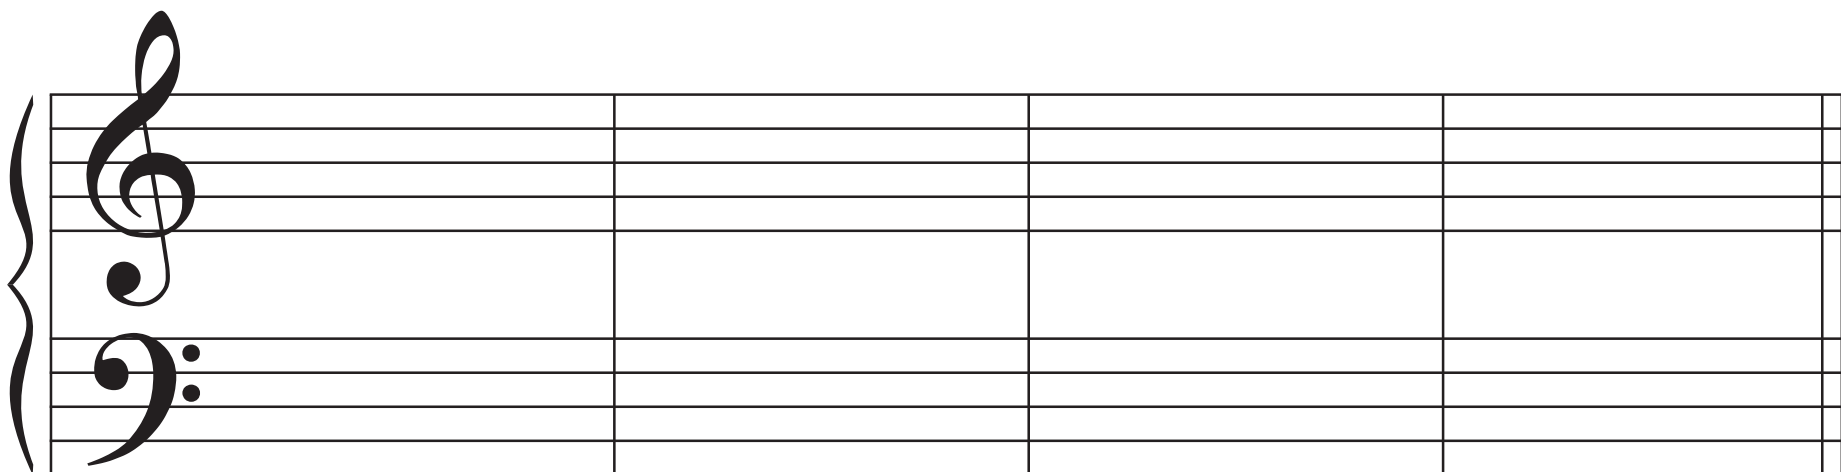

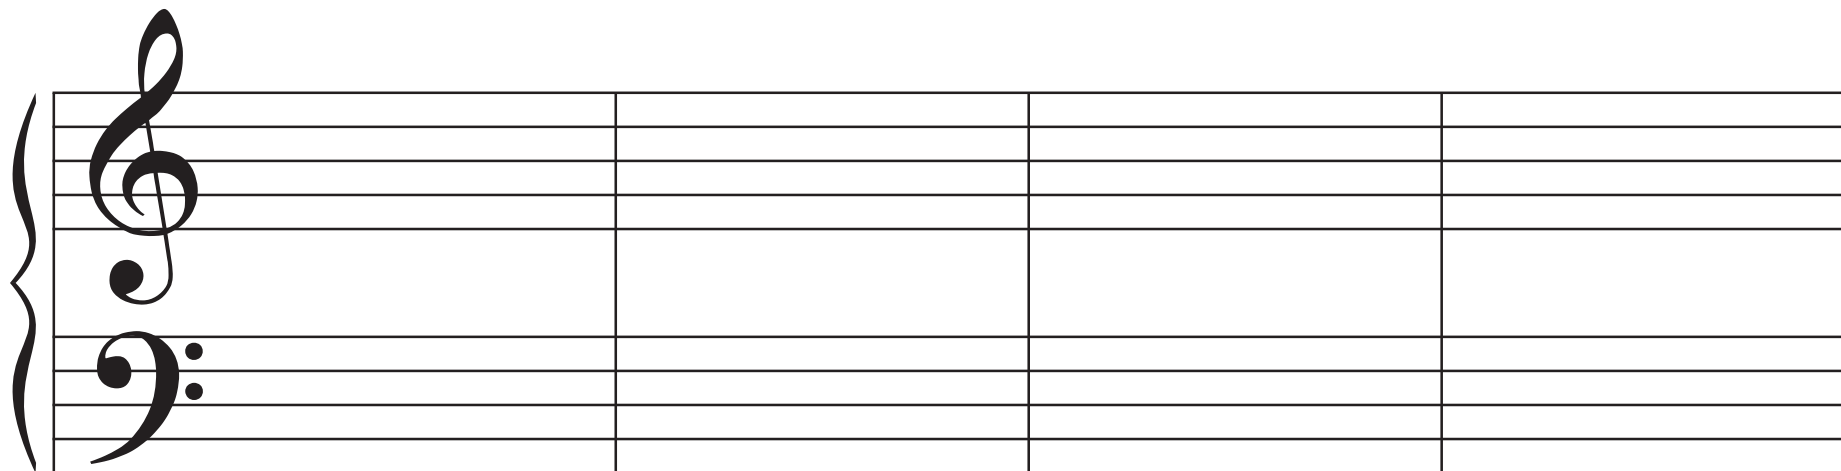

SKOLEVEIEN

Tegn en spretten valp her.
Du bestemmer hvor stor den skal være.

VALPEN

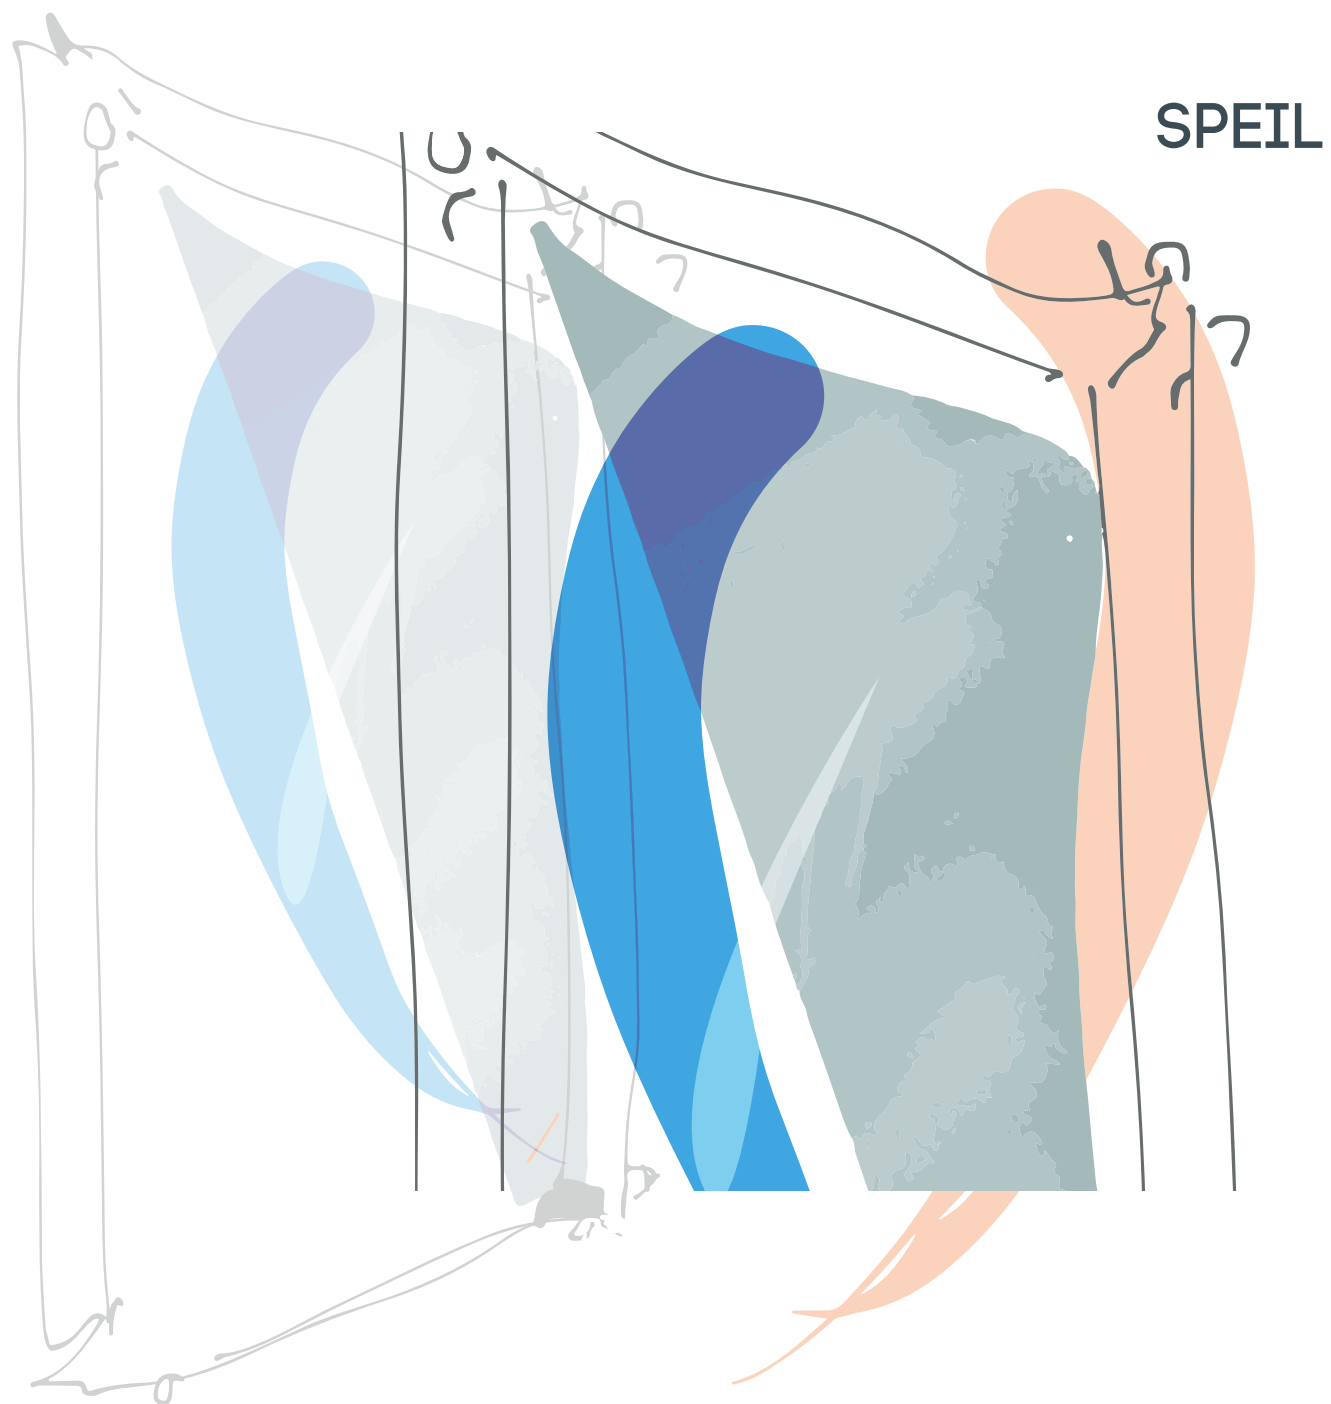

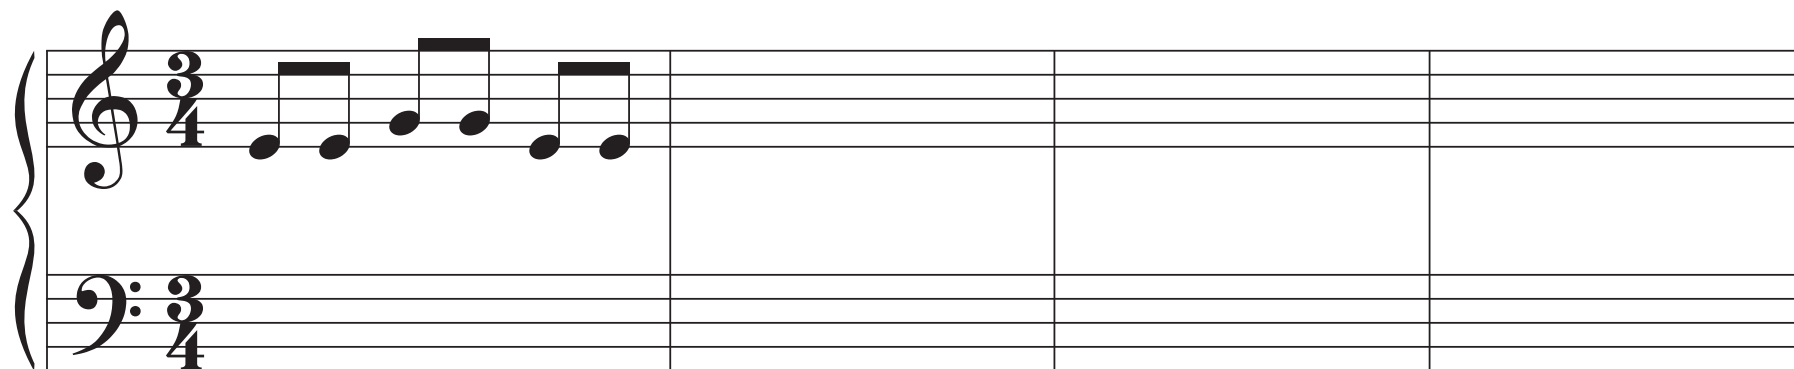

Skriv en speilvendt versjon av "Speil" her.

Melodi beveger seg nedover når "Speil" beveger seg oppover og motsatt.

Sjekk hvor det er helnoter og halvnoter.

Gjør om firedelsnotene til åttendeler også i takt 2, 3 og 4 i
"Sommerlek". Skriv den nye måten å spille det på her:

First system of a musical score in 3/4 time. The treble clef staff contains three measures of quarter notes: C4, D4, and E4. The bass clef staff contains three measures of half notes: C3, D3, and E3. The second and third measures of the bass staff are labeled "Takt 2" and "Takt 3" in orange text. The fourth measure of the bass staff is labeled "Takt 4" in orange text.

Second system of a musical score in 3/4 time. The treble clef staff contains four measures of eighth notes: C4, D4, E4, F4, G4, A4, B4, and C5. The bass clef staff contains four measures of eighth notes: C3, D3, E3, F3, G3, A3, B3, and C4. The system concludes with a double bar line.

Skriv din egen Metronom-komposisjon med bare firedeksnoter.
Spill den sammen med en Metronom mens du teller høyt.

METRONOM

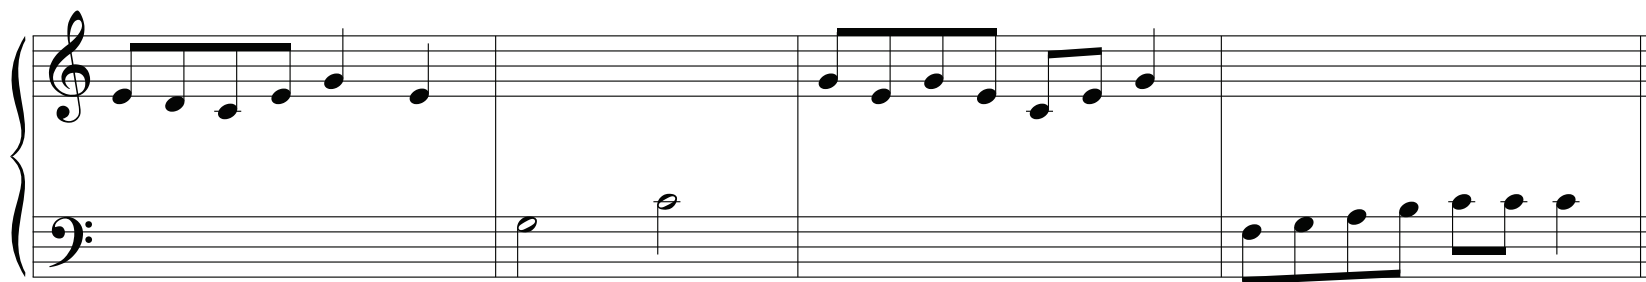

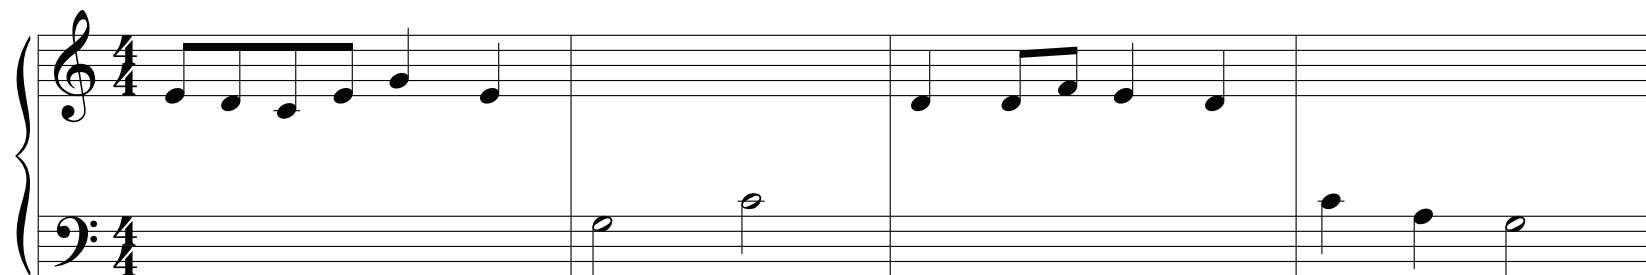

Metronom må alltid spilles sammen med en Metronom.

der to spiller sammen.
Lage en komposisjon der høyre og
venstre hånd spiller hver sin takt
annen hver gang.

DUETT

Chenfei Yang er førsteårsstudent ved musikk lærer programmet på Musikhögskolan Ingesund. Hennes hovedinstrument er klassisk piano. Før det gikk hun på Estet programmet i videregående skole og deretter gikk på Geijersskolan fordyprning i piano.

Hun har lyst å utdanne seg til pianolærer fordi hun synes det ser ut til å være et interessant yrke, det er både morsomt og utfordrende å jobbe med barn.
