En pianolesebok fra plattform12.no

HEI!

Dette er en "Lese og Skrivebok" for deg som nettopp har begynt å spille piano.

Som du ser, har jeg ikke skrevet melodiene helt ferdig. Det håper jeg du vil gjøre. Spill og prøv mange forskjellige løsninger før du skriver ned den du liker best.

Gi hvert stykke et navn. Skriv det på linjen.

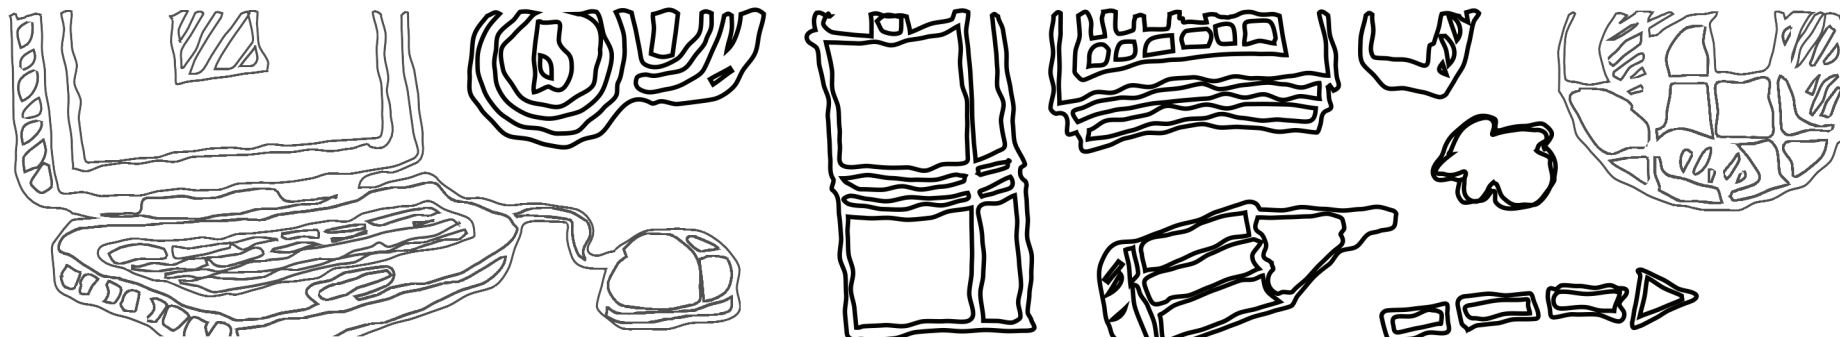

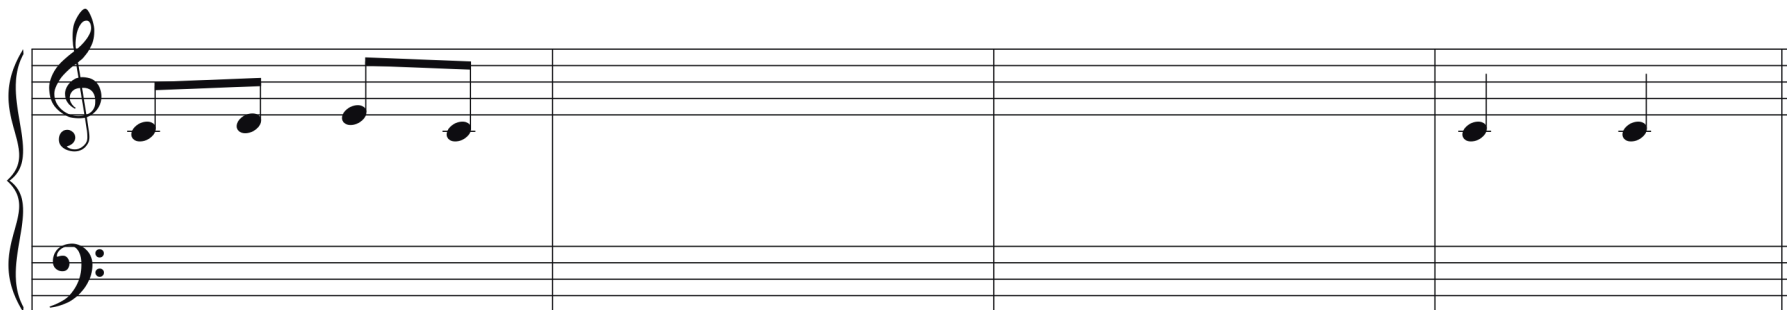

Gjør til slutt opptak av alle melodiene og send dem til meg:-)

Lykke til!

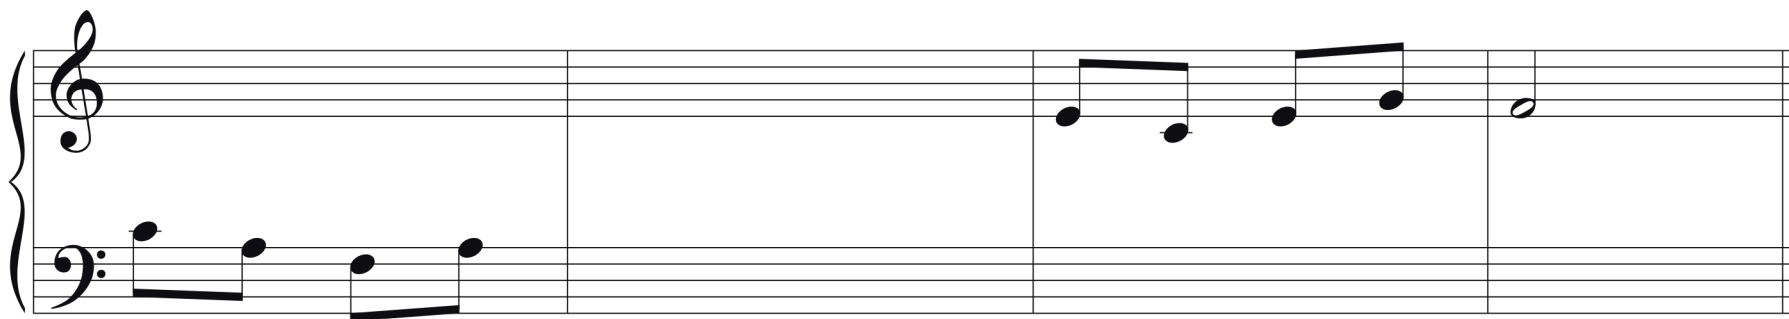

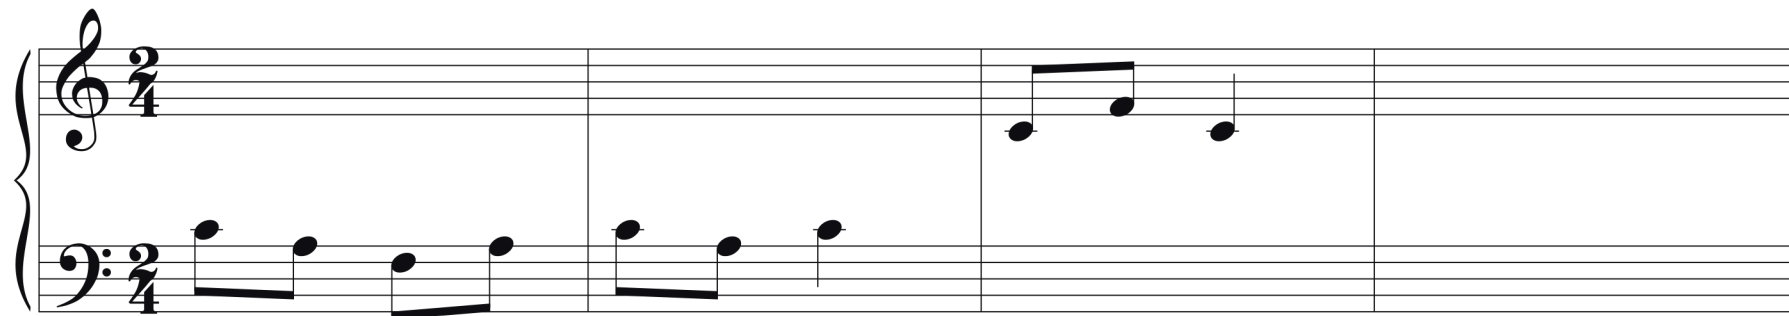

Hilsen

Mariana
